Mr. Joe Brown
Clinical Director
Rosemont Center
1982 Velma Avenue
Columbus, Ohio 43215

Dear Mr. Brown:

I am writing to express my interest in the Clinical Social Worker position at Rosemont Center. I currently attend The Ohio State University and will graduate in June 2009 with a Master's degree in Social Work. I was informed of this position through your volunteer coordinator, Kristen Hall, and after further researching the facility, I know I would be a good fit for Rosemont.

Through my coursework and previous practicum experiences, I have developed skills that make me an excellent candidate for this position. In addition to the required curriculum, I have completed courses in Outcomes Research and Adolescent Treatment Planning. Rosemont's commitment to providing comprehensive services for adolescents and continuously assessing those services creates the type of work environment and level of expectations I am looking for. In my practicum experiences, I was able to develop my counseling skills by carrying a large caseload of individual clients and running groups for adolescents to address their emotional and social needs. I primarily used cognitive behavioral therapy, but also have experience adapting my style and other theories to fit each client's unique situation. I also deepened my understanding of the resources available around Columbus, specifically to adolescents and their families. I look forward to using these skills to help the adolescents at Rosemont and learning from the multidisciplinary staff at Rosemont to enhance my skills.

Enclosed is my resume which gives a more complete view of my qualifications. I would like to further discuss this opportunity with you. I can be reached at (614) 292-7055 or by e-mail at smith.300@osu.edu. I will call early next week to answer any further questions. Thank you for your time and consideration.

Sincerely,

Jane Smith
