- Placements are made based on timeliness of your submission, available agencies and agency preferences. Every attempt will be made to accommodate one of your preferences, but it cannot be guaranteed.
- Please be aware that some agencies require social work licensure (LSW) as a prerequisite for placement. The College of Social Work requires that you have either a Social Worker Trainee (SWT) license or an LSW. Your license must be in good standing.
- Health screenings, criminal background checks, and drug screens may also be required by agencies. If these requirements present an obstacle for you, please discuss this with your placement coordinator. You may also discuss these requirements during your pre-placement interview as a minimal cost may be involved at your expense.

YOUR PLACEMENT EXPERIENCE WILL INCLUDE ADVANCED CLINICAL OR ADMINISTRATION EXPERIENCES. IF YOU WOULD LIKE MORE INFORMATION ON WHAT THIS ENTAILS, PLEASE SEE OUR [WEBSITE](#).

Please use the space below to indicate the kinds of learning experiences you would like in a field placement.

Please describe your career goals

### Professional Practice Statement:

2. Describe the learning environment that best suits you and the type of instruction and supervision you respond to best. (e.g. do you need a great deal of structure, and a consistent schedule, or do you prefer more flexibility?)
3. Describe a professional situation in which you had to deal with conflict. Explain how you went about resolving the issue.

I have read the [NASW Code of Ethics](#) and agree to uphold them.
