Introduction

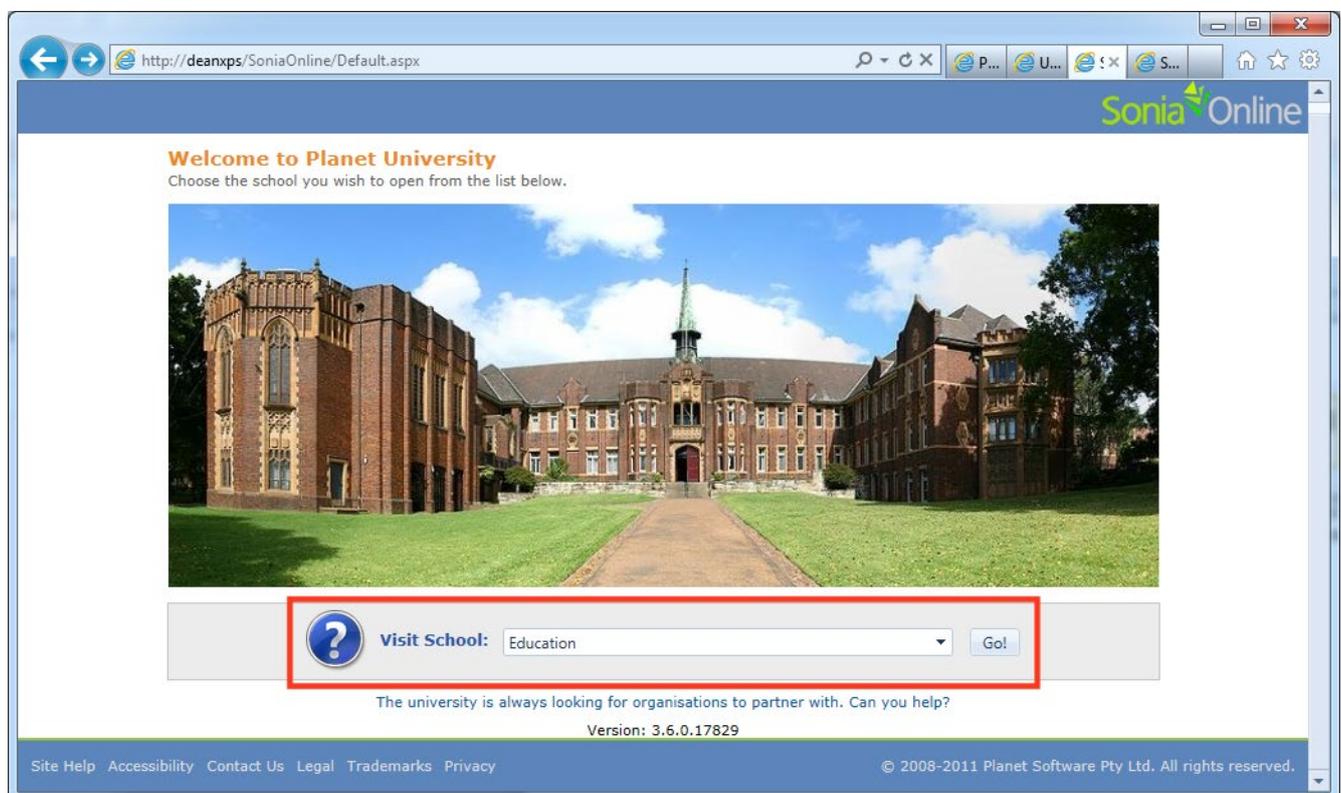

This guide is intended to be provided to students who are using Sonia as part of the administration of field work placements.

NOTE: This guide uses default Sonia terminology, which the University may have changed, depending on their business practices and preferences. This guide covers parts of Sonia that the University may not have enabled and would therefore be unavailable to you.

Starting Sonia

To access Sonia, you will need a web (internet) browser (e.g., Chrome, Firefox, Internet Explorer) and internet access. You have been provided with a way to get to Sonia from your university. This may include a link from another page in the University intranet or a URL you should enter into your browser every time you need to use Sonia.

To continue into Sonia, you will need to select your school and click the “Go” button.

Signing In

Once you have entered your school, enter your university credentials. You should then see the screen below. The University may have customized this page with text and/or a logo.

1. If you see three horizontal lines next to your name, this means that your screen is not wide enough to accommodate all of the tabs. Be sure to click this to see additional menu items.
2. You can sign out of Sonia by clicking the exit door (the rectangle with the right arrow) on the right side of the screen
3. The cog is your Settings where you can do the following, depending on the permissions enabled by the University (screenshot on next page):
 - Select a culture in which to view Sonia Online (This changes the language as well as other cultural differences; however, the forms will remain in English.)
 - Opt to take advantage of the accessibility features if you use a screen reader. To do this, click the “enhanced accessibility” box.
 - Change/upload a picture of yourself
 - If the University has enabled the option for you to download the Sonia for Students mobile app, follow the instructions here for how to get it on your mobile device.

Placements Tab

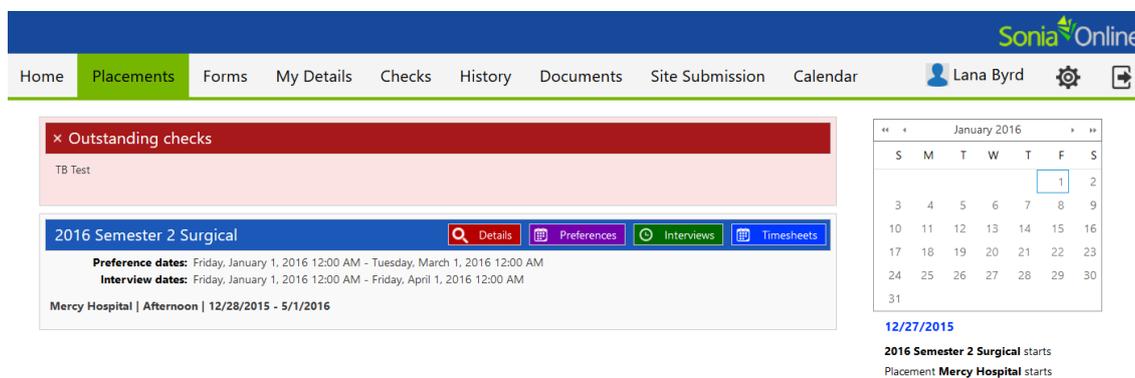

This is a listing of placement groups to which you belong. The University has created these placement groups to keep students together who have something in common, such as academic level, interest, placement term, etc.

The red Details tab gives details about your Site and placement, including the Mentor and Supervisor to which you have been assigned. You can also post notes and upload documents regarding your position.

In the example below, student Lana Byrd is in the “2016 Semester 2 Surgical” placement group and has been allocated to Mercy Hospital for the afternoon shift. The dates of her placement are 12/28/15-5/1/16. The colorful buttons on the placement group will be explained in the Optional Buttons section below.

If you have any outstanding Checks (i.e., pre-requisite tasks), they will appear in a red-shaded area at the top of the screen. Read this information carefully, as failing to comply may prevent you from being allocated to a placement. More on Checks further in this document.

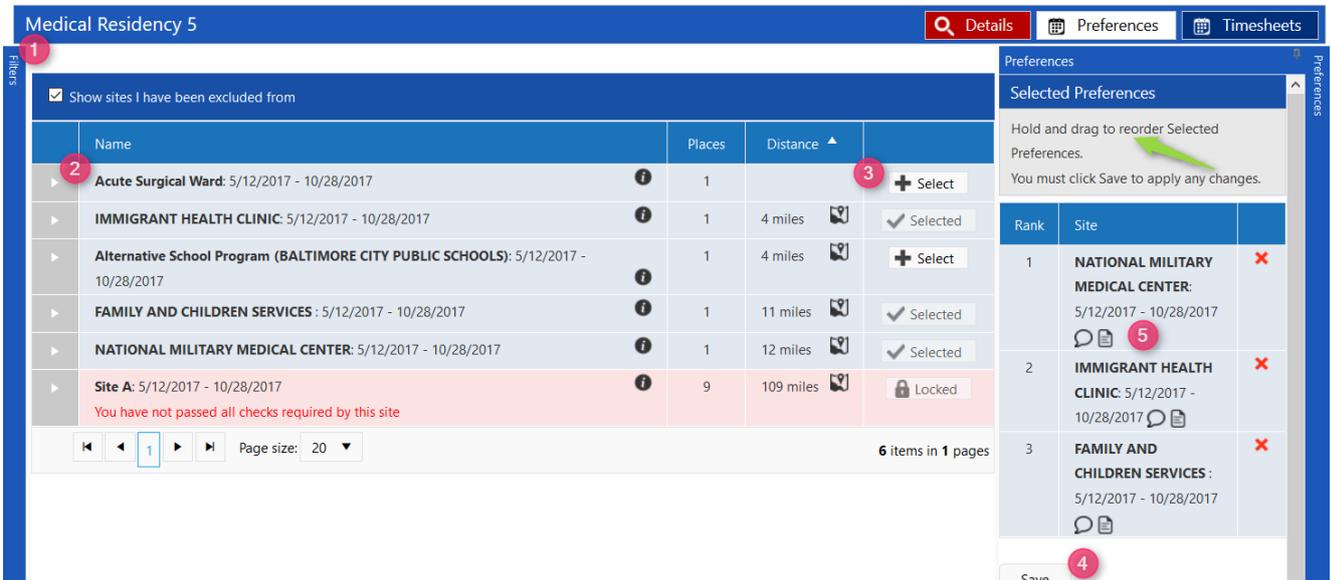

To the right of the screen are important dates.

Optional Buttons

Depending on the University's settings on the placement group, you may see the following buttons on placement groups in the Placements Tab.

- **Preferences:** During the dates specified on the placement group information, you may search Sites for a preferred placement.

Save

- 1) **Filter** your search using the box on the left of the Preferences screen.
- 2) Click the caret in the gray box to expand to see details about the Site.
- 3) **Select** the Sites that interest you.
- 4) **Save** your preferred Sites in the box on the right. You can re-order them by dragging/dropping.
- 5) When you 'Save' your preferences, you will see balloon and paper icons appear. The balloons are for you to **write comments** about the site. For example, "This is my #1 choice because...". The paper icon is for you to **upload a document**, such as a resume and/or cover letter, to that preference.

The Sites listed are those that will be available in this placement period. The order in which the Sites appear can be changed by clicking the heading of the column you wish to sort by (e.g., Site details, Places or Distance). It may show the **number of places available** at the site and the approximate **distance** ("as the crow flies") to the Site from your home address.

A small "map" icon will open Google Maps to see the route to the Site, while a small "i" icon (**information**) will open a new search window to find any web information about the Site.

You may find some Sites are highlighted in red. This indicates that the site is unavailable to you. There may be a number of reasons for this; you should discuss this with the University field placement staff.

- **Review:** If you see a Review button instead of a Preference button, this means your university will allow you to review sites but not preference.
- **Interviews:** Allows you to sign up for an interview slot with a Site.
- **Timesheets:** Keep track of your time spent at your placement. (screenshot below)
 - Click 'Add new attendance' to add an entry. Be sure to click 'Save' when finished.
 - You can edit your Timesheet entry after you save, as long as the Timesheet is in Submitted status. Once it has been approved, you cannot edit it

Sonia will keep a tally of the number of hours entered, as well as a breakdown of the number of hours spent on each specified Activity.

Forms Tab

If a form has been assigned to you, the name of the form will show on a blue horizontal bar. Click the red 'Edit' button at the right end of the blue bar to complete the form.

If the form has not specifically been assigned to you, but the field office said the form could be completed at any time, you can choose the form from the "Form Self Selection" dropdown and click 'Add'. It would then appear with the assigned forms.

If a required field was not answered, it will be indicated in red text below the 'Save Draft' button.

“Save Draft” means you can save your work and come back to edit this form.

“Submit” is the button to the right of “Save Draft. Click this when you have completed the form.

My Details Tab

The My Details screen is used to display additional information about you. (screenshot below) For example, it may contain a section about next of kin information as well as questions for which your university has specifically requested responses (the 'Other' section at the bottom of the page).

Some of the information on the My Details page may be editable, and you may be expected to fill in some of the details. This will vary depending on the rules and processes of your university.
