FIELD PLACEMENT APPLICATION GUIDELINES

Overview

The Field Placement Application allows students to share about the kinds of learning experiences requested in a field placement and assists staff in matching you with potential field placement agencies. You will complete the Field Placement Application in the field database.

Directions

- Consider this a professional document, represent yourself as you would for a job description
- Answer questions completely, thoughtfully, and in complete sentences
- Ensure your application reflects your interest for field accurately
- Provide job/volunteer experience description
- Review your application and correct any typos, misspellings, or grammatical errors
- Disclose criminal background or possible emotional or physical limitations (Please note this will NOT be shared with agencies)

TECHNOLOGY

You will complete your Field Placement Application in the Field Database. Please review the Field Education website and email correspondence from the Field Office for assistance accessing and navigating the database. If you need further assistance, please contact cswfield@osu.edu
