PROFESSIONAL SUMMARY

Fifteen-year behavioral healthcare social worker with extensive subject matter knowledge and expertise in community mental health, children's mental health, justice and equity, prevention and social work administration. Experience in delivering mental health and substance use programs including home visits, direct patient care, diagnostic assessments, and individual & family therapy. Social work administrator background in program development and community planning areas such as substance use prevention, suicide prevention, harm reduction, children's mental health, infant mortality, and grant writing. Proficient in industry best practices including evidence-based treatment programs, community planning and programming, healthcare policy, and strategic planning. **Dynamic instructor who promotes critical thinking through effective teaching methods that make complex concepts easily understood by all learners.**

PROFESSIONAL EXPERIENCE

- 2018 - present **Clinical Assistant Professor, The Ohio State University, College of Social Work**
Educates both undergraduate and graduate level students to develop and prepare them for micro and macro practice using a **variety of instructional methods**, including, but not limited to, micro-learning, role-playing, debates and simulations. Advises and mentors students to enhance their understanding of the material and to promote professional growth. **Online (synchronous and asynchronous) and In-Person teaching experience.** Excellent Student Evaluation of Instruction (SEI) scores. **Develops explicit curriculum** including Social Work and the Law and Substance use Prevention for the College of Social

Work. Develops course assessments and utilizes the CSWE competencies in the development of curriculum. Also **develops implicit curriculum** and other instructional materials for courses taught including Child Welfare I and II, Social Work and the Law, Preventing Substance Misuse, Organizational & Community Systems, Integrated Seminar on Substance Use, Integrated Seminar on Child & Youth Services and Social Work Evaluation I & II. Recently promoted to Clinical Assistant Professor (July 2023) from Community Lecturer.

2022-2023

Consulting, Creative Thought Consulting Group

Provided prevention supervision to contracted agency employees who were seeking certification in prevention through the Ohio Chemical Dependency Board. Worked with Legal Aid to provide consultation services in interdisciplinary practice. Consulted with agencies to develop and structure CE programs and to bring program into compliance with the American Psychological Association, Association of Social Work Boards and the National Board of Certified Counselors standards for CE providers/sponsors.

2018 - 2020

Neighborhood Leadership Academy Instructor, United Way of Central Ohio

Community Instructor of a 4-month training program to develop neighborhood leaders and equip them in areas to impact change within the community. Taught strategic planning, program development, outcomes, using data to develop cost-effective programs, and community readiness.

2014 – 2020

Director of Training & System Development, Alcohol, Drug & Mental Health Board (ADAMH) of Franklin County

Community Mental Health and Substance Use Administrator who planned and developed public health programs throughout Franklin County to improve population health and community readiness. Provided technical assistance as the clinical lead to public health and related professionals on tactics to prevent substance use and to promote mental health. Managed a \$15M budget and established strategies for financing behavioral healthcare and leveraging insurance. Tracked, monitored, and analyzed policies impacting behavioral healthcare and cross-system initiatives. Engaged in continuous quality improvement, cost-benefit analysis, and project management. Supervised and served on various community committees and workgroups, such as the Child Fatality Review Board and Fetal Infant Mortality Review Board. [Promoted from Youth and Family Manager].

2011-2014

Federal Research Grant -Teen Pregnancy Prevention Social Worker, OhioHealth

Federal grant social worker who collaborated with the Office of Adolescent Health on a special grant project, *Teen Options to Prevent Pregnancy (TOPP)*, to reduce teen pregnancy rates in the greater Columbus area, address social determinants of health, and improve population health. Assisted in survey development & administration and the recruitment of 600 adolescents. Upheld study integrity through collaboration with the IRB Board and sound research design to meet federal grant requirements.

2010-2011

Behavioral Health/Juvenile Assessor, Nationwide Children's Hospital

Juvenile behavioral health assessor involved in a Mental Health and Juvenile Justice initiative to improve population health, increase access to mental health for youth involved in the juvenile courts, and to reduce the number of youth with mental health disorders committed to the Ohio Department of Youth Services. Provided care coordination, drafted court reports for the bench, and recommended evidence-based programs to improve the mental health of youth and families.

2008-2010

Family Therapy Program Supervisor, Rosemont Center, Inc.

Recruited as program manager to develop and implement the county's first *Functional Family Therapy Program*. *Responsible* for supervising a team of six Master's Degree level therapists. Collaborated, networked, developed partnerships, and shared knowledge of evidence-based practices to increase referrals and achieve organizational goals around program sustainability. Provided therapy for youth & families referred by Franklin County Juvenile Probation Department and Franklin County Children's Services.
